Editor Once again many thanks to Valerie for sending me another 'Wordsearch' puzzle.

Now here is a challenge. It took me 15 minutes to find all 23 words. See how long it takes you and then email your time to me at:

mike.rsdnewsletter@hotmail.co.uk

The person who completes the puzzle in the shortest time will receive a marvellous prize that is well worth the effort. But please, no cheating – you are not allowed to use tablets or smartphones. In order to give you a reasonable amount of time to complete this challenge, the closing date is 33rd August 2019.

And now, here are two more jokes:

Dave says to Fred, "Christmas is on Friday this year". Fred replied, "Let's hope it's not the 13th then."

Two people called at my door and asked what bread I ate, when I said white they gave me a lecture on the benefits of brown bread for 30 minutes – I think they were those Hovis Witnesses.
